Evans Planning acts on behalf of 12599 Hwy 50 Ltd., the Owner of the properties located at 12599 and 12563 Highway 50 and 2 Industrial Road in the Town of Caledon (the 'subject lands'). Further to our first submission of March 2021, and comments from City Staff and circulated agencies, we herewith provide for your review revised plans and reports to update applications for Official Plan Amendment and Zoning By-law Amendment for the subject lands.

The main elements of the proposal have not changed substantially since our first submission. The applications propose the development of the site with a multi-phase, mixed-use development consisting of five apartment buildings. The buildings now range in height from 23 to 29 storeys and propose a total of 2,238 residential dwelling units, as well as 3,179 square metres of ground-level commercial floor area.
